

INN ON
THE LAKE
WEDDINGS
& EVENTS

With a stunning backdrop of woodland and lakes, the Inn on the Lake is an ideal venue for your very special day and those memorable wedding photos. Should you wish to get married here too, our beautiful wedding gazebo sits on the edge of the largest of our 3 lakes and is unique like no other wedding venue in Kent.

We offer bespoke or inclusive wedding packages to suit a variety of budgets and sizes. While the package prices details set numbers, these are merely an example and we can tailor a package to suit your wishes to create your ideal wedding.

YOUR SPECIAL DAY

We know how to do weddings and we also understand that this is one of the most important days of your lives. Every detail counts and we will work with you at every stage to help you decide what is right for you. Our attention to detail, friendly service and top-class food will ensure treasured memories for both you and your guests.

Should you wish to receive a personal quotation designed to your suit your budget and style, please contact our wedding coordinators on 01474 823333 or email the team at: events@fcdhotels.co.uk.

ALL-IN-ONE WEDDING VENUE

Many choose to have the peace of mind of an 'all-in-one' venue, meaning guests can enjoy the entire day and night under one roof (or in our case, also outside!) This day can be stressful and frightening, but having an all-in-one venue allows less room for panic on the big day.

You and your bridesmaids can stay on your wedding eve and relax in our large rooms. In the morning, your wedding coordinator will arrange for your hair stylist, makeup artist and photographer to go up to your room after breakfast. While you are being pampered, your wedding coordinator will dress the tables and organise the arrival of your cake*, entertainment and any balloons* or fresh flowers*.

*We Recommend [Kate Feakins](#), [Wild Balloons](#) & [Bohotanical](#).

At the end of the evening, get whisked off to bed in one of our lakeside bridal rooms, and meet all your guests for breakfast the next morning. *Ask your wedding coordinator about wedding discounts.

OUTDOOR CEREMONIES

(subject to season and weather)

If you choose to marry at the Inn on the Lake, you have the option of marrying under our beautiful lakeside gazebo. The gazebo is elegantly swagged* and tied in a colour of your choice by [Wild Balloons](#). The flowers are selected by our private gardener and planted in early spring ready for summer bloom. *Different levels of swagging available. Swagging in photos is subject to additional charge

We try not to worry about the weather, but should it be a rainy day, the staff run outside and perform a Sundance. It sometimes works! Should you be worried about the weather, ask your wedding coordinator for advice on how to prepare for a rainy day.

GET MARRIED WITH THE WILDLIFE

You won't find many other venues where a few friends might invite themselves along to your wedding! Our wildlife is very protected and well looked after (we offer complimentary biodegradable confetti with all packages) and in return, they often come to greet the new married couple.

WOODLAND WEDDINGS

Your special day can have a real wild feeling with special access around the lakes.* While your guests enjoy their pre-dinner drinks, you and your new wedded partner can take a stroll along the winding path that takes you behind the scenes at the Inn on the Lake and through the natural woodlands that surrounds the hotel. We offer exclusive access with our [selected photographers](#), please speak to your wedding coordinator for more information.

*Subject to weather, availability & approved photographer. Access is for the married couple only and no other guests.
